

HOW TO SUPPORT THIS INITIATIVE ?

The Voix EssentiELLES Fund for Malaria Elimination Managed by Speak Up Africa, this Fund provides private sector actors and philanthropists with a direct pathway to invest in women-led community initiatives for malaria elimination across Francophone Africa. Aligned with national and continental malaria strategies, the Fund targets 21 countries and aims to support at least 210 organizations by 2030. Officially launched in May 2025 at the Africa CEO Forum in Abidjan, the Fund commits to:

- Supporting community advocacy initiatives to strengthen accountability in the fight against malaria
- Building a regional women's coalition to elevate malaria as a political and budgetary priority;
- Providing flexible, malaria-focused funding alongside strategic capacity strengthening.

About Speak Up Africa

Speak Up Africa is a nonprofit advocacy organization dedicated to catalyzing leadership, driving policy change, and building awareness for sustainable development in Africa. Based in Dakar and active across the continent, the organization works with governments, civil society, research institutions, the private sector, and global health initiatives to shape public policy, amplify community voices, and strengthen health systems.

With a strong focus on youth and women's leadership, Speak Up Africa develops innovative campaigns that translate evidence into action — spanning malaria and polio elimination, immunization, sanitation, neglected tropical diseases, and pandemic preparedness.
